

**2018-2019 Register of Business & Pecuniary Interests – Primary Advantage Federation (PAF)**

The decision-making processes of the central governing board should be conducted, and seen to be conducted, in an objective and unbiased manner. The governing board and school staff have a responsibility to avoid any conflict between business and personal interests and the interests of the school. To help put this duty into practice and to meet legal requirements, all maintained schools maintain a register of pecuniary and business interests. The register will ensure that governors' and associate members personal interests do not unfairly prejudice, influence or conflict with school's decision making processes.
